TERMS AND CONDITIONS

Herewith a summary of the terms and conditions agreed to in applying for this product online. Please note that a full and final version of the terms and conditions will be sent to you on approval of your application.

These are the generic disclosures to be read in conjunction with the product disclosure document.

PRODUCT BENEFIT INFORMATION

Your cover will start after you've made your first payment, on your cover start date. As long as you make your payments every month, cover will continue until you claim, you turn 65 or you die, product dependent.

PROVIDE A NON-REACTIVE HIV TEST

You have 90 days from the cover start date to complete an HIV test through any of our laboratory partners. We will pay for the test and the results are kept completely confidential. If you do not go for the test or if your HIV test is reactive, your cover will be cancelled or converted to accidental cover only, which means that you are only covered in the event that your claim is due to an accidental cause. If your cover is converted, we will send you a new agreement. The converted cover, including waiting periods and exclusions, will be deemed to have started from the cover start date of the original cover you took out. Your monthly payment may also be adjusted. If you need any assistance in arranging the HIV test, please call us on 0860 555 148.

ACCIDENTAL CAUSES

We define an accidental event as a sudden and unexpected event occurring at an identifiable place and time, which has a visible, violent and external cause, and results in the death within 14 days of such event or disablement (product dependent) of the life assured. We reserve the right to request evidence of the accident occurring (for example, SAPS or medical report).

WHAT YOU NEED TO DO TO REMAIN COVERED

YOUR EXCLUSIONS

Should you have any exclusions listed on this policy, due to existing medical conditions or medical information shared during the sales process, these will be listed on the first page under your product details. Should your claim event be related to this condition, regardless of whether this is due to natural progression of your condition or exacerbated by any other new or existing injury and/or illness, your claim may not be paid out.

It is not our intention to rely on any exclusion to avoid payment of claims. Exclusions are specified to assist us to assess whether the claim was related to a medical condition that was either caused or accelerated by a condition that existed before the start of the risk cover.

GENERAL EXCLUSIONS

We will not pay out on any claim if the policy or claim is invalid due to non-disclosure or withholding of information. We won't pay out if your claim is related to you harming yourself on purpose or if you are injured while breaking the law, willfully participating in criminal acts or while intentionally putting yourself in a position where you are exposed to or take part in:

- war, hostile military action or an act of terrorism;
- atomic/nuclear fallout or biological/chemical warfare agents;

- regular participation of hazardous or risky hobbies, sports or activities.

Regular participation is defined as participating in an activity more than once a year, whether part-time, full-time or as part of your occupation.

ANNUAL INCREASES

Due to a number of factors, including risk factors that may have an impact on the pricing of the product, we may annually adjust monthly payments. We will notify you in advance of any adjustments. However, your monthly payment will increase by 6% each year, for the first five years. The cover payout will not increase.

After the first five years, we may annually adjust monthly payments by more than 6% if the pricing assumptions we used to calculate the monthly payment vary from our expectation of future experience. This includes the following factors:

- Interest rates
- The average age and demographics of the lives assured on the product as a whole
- Claims incidences, lapse rates and renewal costs of providing the policy.

We reserve the right to adjust the benefits payable and the monthly premium of this policy if the following affects this policy or the Liberty Group:

- Any change to or new legislation or regulation (including tax legislation or regulation)
- The legal interpretation or understanding of any change to or new legislation or regulation (including tax legislation or regulation)

We will let you know about any change at least 31 days before it happens.

YOUR OBLIGATIONS

CHECK YOUR ANSWERS TO THE MEDICAL AND LIFESTYLE QUESTIONS

The medical and lifestyle questions you answered when you took out the product are the basis for this policy. If the answers were not accurate, this could result in a claim not being paid.

To avoid this situation, the questions, and the answers that we received from you are included in the first few pages of this document. Please review these and make sure that all the answers are accurate. Contact us immediately on 0860 555 148 if you find any errors.

All calls are recorded to ensure that we have a complete record of our conversations. A copy of the call can be made available on request. It is imperative that all information given is honest and factual, as the answers that you give during the call will be verified in the event of a claim and any errors could result in an unsuccessful claim.

CONTINUE MAKING PAYMENTS

You need to ensure that there is money in your chosen bank account on the debit order date of every month. If the debit order on your account fails, you run the risk of not being covered. If you have missed a payment, please call us to inform us of this. We may attempt another debit on a different debit date due to a missed payment. If any premium is not paid on time, a one-month grace period for payment is allowed. If the premium is still not paid after one month, the policy may lapse thereafter. No claims are payable under a lapsed policy.

Should you anticipate any potential payment problems, call 0860 555 148 for alternative options. If your bank details change, please call us as soon as possible to update them.

TELL US ABOUT CHANGES TO YOUR LIFESTYLE OR OCCUPATION

Any changes to your lifestyle (not your health) could affect this cover. Let us know if any of the following changes:

- Your smoking habits
- Your participation in any risky sports or activities
- Your occupation
- If you intend to spend more than 30 consecutive days outside South Africa.

A change in occupation includes any form of unemployed status including but not limited to retirement, retrenchment, resignation and / or dismissal.

After being informed of any of these changes, we may adjust the agreed payout and monthly payments or not be able to provide cover. However, if you don't let us know, any future claims could be affected or even refused.

CHANGING YOUR COVER

If you apply to increase or decrease your cover, changes will be effective once we successfully collect the first adjusted monthly payment. If you have increased your cover, waiting periods and exclusions will apply to the increased portion, as will any new terms and conditions. To request a change, contact our Customer Service team.

or false information, the agreement may be cancelled. In this case, no claims will be paid out and no monthly payments will be refunded.

UNPAID OR UNCLAIMED PAYOUT AMOUNTS

It is your responsibility to make sure that we always have up-to-date contact information for you and/or for any beneficiaries listed in this policy. If we become aware that there are benefits due to be made under this policy, we will always first try the last contact details provided to us. If we are not able to make contact, we have to take reasonable steps to resolve this and may have to appoint external tracing agents. This agreement permits us to give the tracing agents access to personal information. Please also note that a tracing fee may be deducted from the payout amount. We will pay interest, if applicable.

MISREPRESENTATION OR MISINFORMATION

Benefits will only become due and payable once all claim requirements have been met and we are satisfied that the claim is valid. A claim will be regarded as invalid due to misrepresentation or misinformation if:

- false information was provided when the policy was applied for.
- we become aware that material information was withheld from or not disclosed when the policy was applied for; or
- false information is supplied when the benefits are claimed.

In such cases, we reserve the right to cancel the policy in its entirety. If we decide to cancel the policy, we may refund any premiums you have already paid less any expenses related to the cover you have enjoyed up until the cancellation of the policy.

COOLING-OFF PERIOD

You are entitled to a 31-day period to cool off, in which you can cancel or change this policy. Any cancellation or change request must be sent in writing within 31 days of receiving the policy document. The policy document is considered to have been received 10 days after the date that the policy was issued.

To cancel or change your policy during the cooling-off period, please contact us in writing at:

Email: directservice@liberty.co.za
Address: PO Box 10499, Johannesburg, 2000

After receiving a change request, and subject to any law, we may change the policy in line with the requested change. If we are not able to, we will inform you that no change can be made to the policy. If we receive a request to cancel the policy, we will refund any premiums you have already paid less any expenses related to the cover you have enjoyed up until the cancellation of the policy.

By choosing not to cool off during this 31-day window, we accept this as indication that you have reviewed your policy agreement and accept the terms and conditions.
